HALIFAX HEADING MOVEMENT FOR NATIONAL GOVERNMENT ON A WIDER BASIS

SUGGESTED INCLUSION OF EDEN, CHURCHILL

Back Benchers' Support But Labourites Cold

LONDON, MAR. 17 (REUTERS)—REPORTS ARE CURRENT IN PARLIAMENTARY CIRCLES THAT THE FOREIGN SECRETARY, LORD HALIFAX, IS leading a movement backed by many Conservative back benchers for a new National Government on a wider basis, writes Reuter's lobby correspondent.

It is suggested that the new Government include Mr. Anthony Eden, former Foreign Secretary who resigned in February last year, and Mr. Winston Churchill, former Secretary for the Colonies, with the possibility that conscription be introduced.

There is no sign that the front bench differs from the back benchers in this respect as the Prime Minister, Mr. Neville Chamberlain, feels bitterly at the latest developments.

Compulsory national service conscription could not be approached without considering the attitude of the opposition.

Labour members are cold towards the suggestion of a wider Government but the Liberals are believed to be less so.

The Government has hitherto avoided compulsory national service because of the intense opposition from Labour and the Unions.

URGENT CONSIDERATION

LONDON, Mar. 17 (Reuter)—When asked in the House of Commons whether the British Government had yet taken a decision regarding the position of Sir Neville Henderson, Ambassador in Berlin—whether he is being recalled either to report or permanently—the Chancellor of the Exchequer, Sir John Simon, replied that this subject was specifically under urgent consideration.

Replying to another question, Sir John Simon said that the German Ambassador had given the Foreign Secretary Lord Halifax, information on the situation. The British Government was now in communication with the French Government.

HALIFAX SEES PREMIER

LONDON, Mar. 17 (Reuter)—The Foreign Minister, Lord Halifax, called on the Prime Minister this morning while the Soviet Ambassador called at the Foreign Office.

FRENCH DEFENCES

PARIS, Mar. 17 (Reuter)—The Cabinet has approved of the Bill proposed by the Prime Minister, M. Daladier, giving the Government necessary powers to consolidate and strengthen the forces.

The Cabinet decided that Ministers must not undertake any journeys for the time being.

Japan's Five-Year Rearmament Plan

TOKYO, Mar. 17 (Reuter)—Japan will start a five-year rearmament plan on April 1. The Government was today authorized to put the plan into force when the House of Peers unanimously approved the Army and Navy supplementary estimates of ¥111,000,000 spread over five years.

SUCCESS OF MOBILE TACTICS

JAPANESE LOSSES IN HOPEI

LOYANG, MAR. 17 (CENTRAL)—THE JAPANESE LOST OVER 1,000 MEN and quantities of arms and ammunition in their recent mopping up campaign on both sides of the Peiping-Hankow Railway in Hopei.

Fighting has been raging in Hsushui, Koyang, Hoken, Yao-yang, and Shensien to the east of the Railway and Tsien and Mancheng to the west. Adopting mobile tactics, the Chinese avoided frontal clashes with the Japanese but inflicted heavy losses upon them by surprise raids and flanking attacks.

Severe fighting has also been raging north of Menghsien, a war-torn town in northern Honan where the Chinese have been firmly resisting a vigorous Japanese southward drive.

CHINESE SUCCESS

KINHWA, Mar. 17 (Int'l)—Hal-yen, 82 miles north-east of Hangchow, the Chekiang provincial capital, in northern Chekiang, was recaptured by Chinese troops on last Thursday night as a result of a successful counter-attack.

Mr. Chung Chia-chou, district magistrate of Hal-yen, has entered the city to institute rehabilitation measures.

COUNTER-ATTACK

SIAN, Mar. 17 (Int'l)—In a counter-attack on Tsiung, Chinese troops scored an important victory north of Yunganchen, 10 miles north of Tsiung. More than 300 Japanese officers and soldiers were killed in the battle.

While part of the Chinese troops pursued the Japanese fleeing northwards, the rest advanced northwards and recaptured Ning-hwapao, half way between Tsiung and Ningwu. Tawuchen, north-west of Lishui, has also been recaptured by the Chinese troops.

STRATEGIC HILL REGAINED

NANCHANG, Mar. 17 (Central)—Chinese troops broke the Japanese lines at Tachishan in north Kiangsi and regained control of the strategic hill in a furious counter-offensive. The Chinese position at Tachung has become stronger after the Japanese landing at Hsiapao was repulsed.

HAN RIVER SECTOR

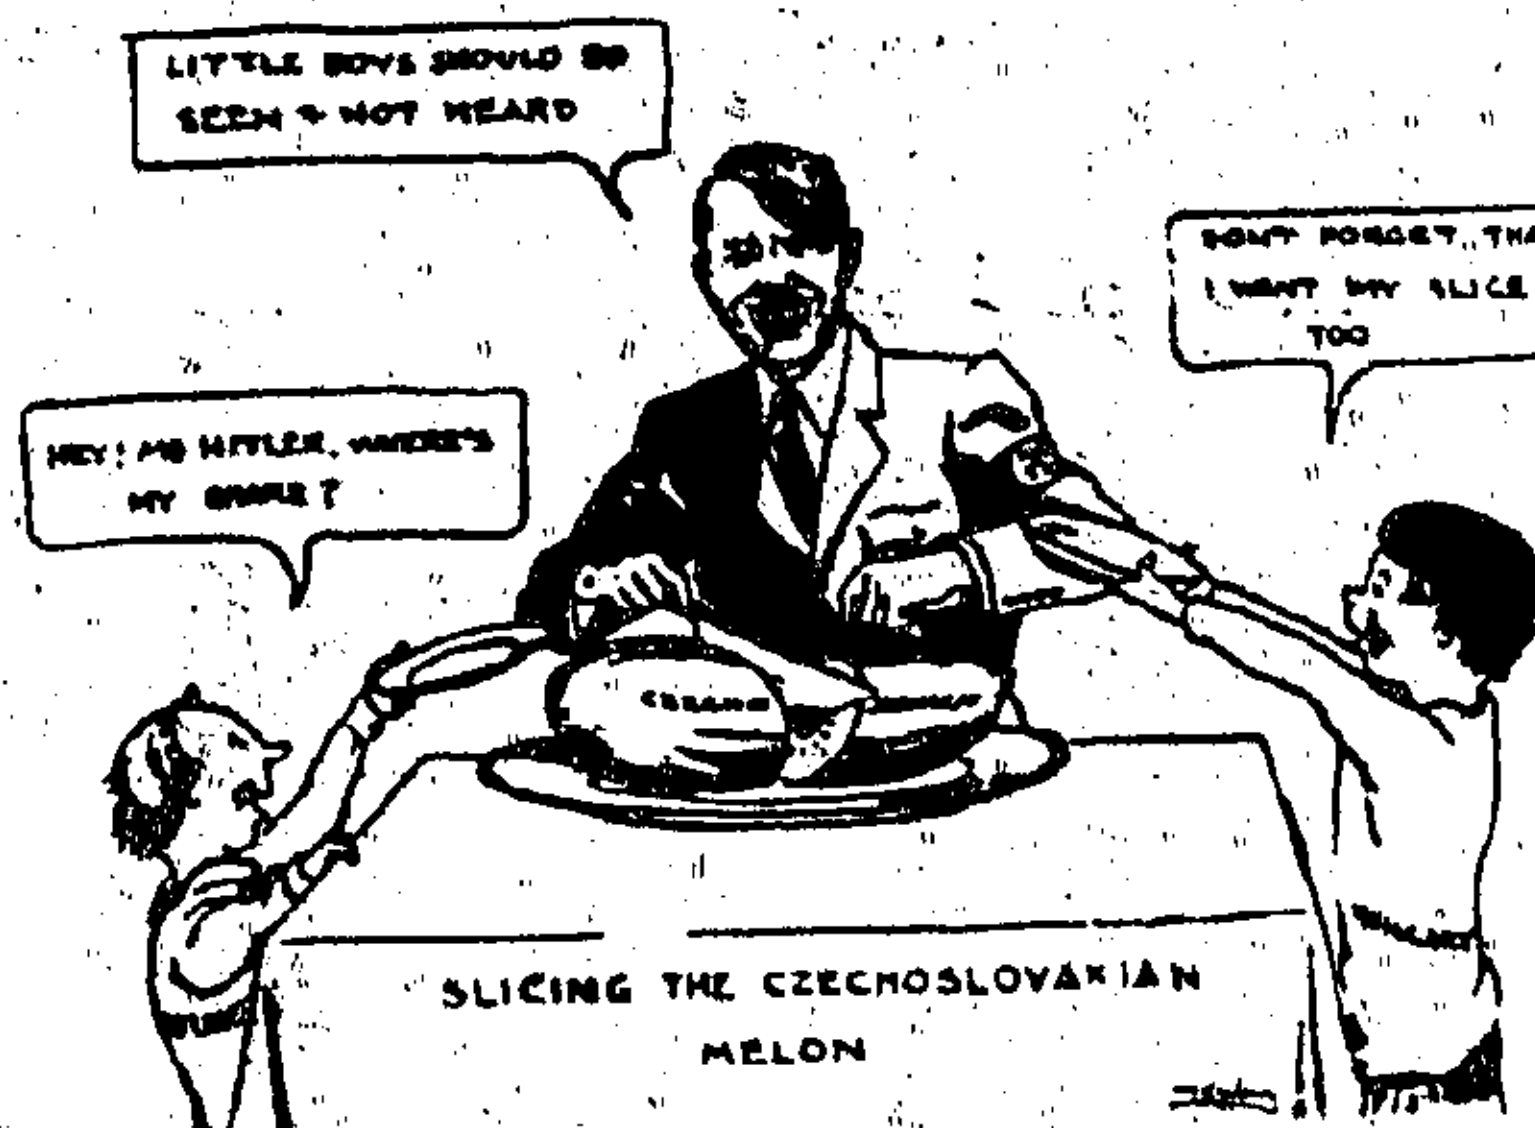

ICHANG, Mar. 17 (Central)—Japanese crossing the Han River at several points yesterday were driven back by heavy Chinese fire, suffering about 100 casualties. A Japanese detachment moving northward from Sanyangtze in Central Hupeh, was also repulsed.

1,500 JAPANESE CASUALTIES IN HAINAN

SHIUKWAN, Mar. 17—It is estimated that the Japanese casualties in Hainan Island since their landing on February 14 are about 1,500 dead and wounded, according to a Twelfth Army Group communiqué.

In Hothow, several hundreds of young women and children are taken by the Japanese military, and some of the children are to be sent to Formosa and Japan to be raised as soldiers.

Japanese troops at Machiashan and Meihien near Tsengshing north of the East River tried out their chemical weapons on the villagers, many of whom were gassed. The chemical unit belongs to the 112th brigade of the 112th division under the command of Col. Hasegawa.

"Germans Are Lying, Plundering People"

PARIS, Mar. 17 (Reuter)—Press comments here are becoming increasingly strong against Nazi. For example "Le Jour" expressed "profound disgust of the German treachery," and adds that "the Germans are a lying and plundering people who take no account of any engagements."

"We have no course but to prepare to answer the threat with a threat," says the paper.

Another describes the Munich agreement as a scrap of paper which the Germans have torn up. Those who dream of Franco-German rapprochement must be awakened.

H.K. UNIVERSITY COMMITTEE TO MEET

The special committee appointed by Sir Geoffrey Northcote in his capacity as Chancellor of the University of Hongkong to seek co-operation with universities in China will meet immediately after the arrival of Mr. Han Li-wu, General-Secretary of the Board of Trustees for the Administration of the Sino-British Boxer Indemnity Fund and one of the members of the Committee, from Chungking on Mar. 20. It is learned.

Mr. Han who was originally scheduled to arrive here to-day but has postponed his journey, is expected to bring with him important suggestions from the Chinese authorities regarding the proposed educational co-operation.

Problems to be brought forth for discussion in the coming meeting are learned to include the expansion of the Engineering School of the University of Hongkong, the exchange of professors and students between the Hongkong University and Chinese universities, the establishment of scholarships and an appropriation from the Sino-British Boxer Indemnity Fund to the University of Hongkong.

LEWIS TO FIGHT HARVEY

LONDON, Mar. 17 (Reuter)—John Henry Lewis has signified his willingness to defend the world cruiser-weight title against Len Harvey in England. The probable date may be May 23, the eve of the Derby.

POLICE ARREST KIDNAPPERS

British Businessman Found

DARING ATTEMPT

TIENTSIN, Mar. 17 (Reuter)—Mr. H. F. Dyott, a Director of the Talkoo Tug and Lighter Co., Tientsin, Managing Director of Wilson and Co., Ltd., and Chairman of the British Chamber of Commerce in Tientsin, was kidnapped by three Chinese this afternoon from his home in the Japanese occupied ex-German Concession and driven away in a motor car.

Mr. Dyott was found twelve miles from Tientsin on the road to Taku.

Police stopped a motor car containing Mr. Dyott and his kidnappers as it was entering the township of Hsiatsan, notorious gangsters' haunt, midway to Taku.

The police disarmed and arrested the abductors and telephoned to Tientsin for an escort for Mr. Dyott.

ADDITIONAL SET OF LOCKS FOR PANAMA CANAL

WASHINGTON, Mar. 17 (Reuter)—The War Secretary in the Senate urged Congress to immediately adopt the proposal to spend \$277,000,000 for an additional set of locks in the Panama Canal.

Brigadier-General Ridley, Governor of the Canal Zone, recommended that such a set should be specially designed to resist air raids and sabotage and be built a quarter of a mile from the present set and should be large enough to accommodate the largest ships.

A complaint having been brought against him by Mr. W. S. Curtis, a motor lorry driver named Yeung Po appeared before Mr. Q. A. A. Macfadyen at the Kowloon Court yesterday on a charge of driving in a manner dangerous to the public in Castle Peak Road on February 9. He was fined \$30.

UNITED STATES TO DEMAND GERMANY ASSUME CZECH DEBT

Roosevelt Directed To Abrogate Trade Treaty

WASHINGTON, MAR. 17 (REUTERS)—CIRCLES IN CLOSE TOUCH WITH MR. ROOSEVELT DECLARE THAT THE PRESIDENT'S POLICY IS FIRMER as a result of the seizure of Czechoslovakia. Events abroad have diminished the Senate opposition and the policy of stiffening the "flabby resolution" of European democracies is likely to be intensified.

A resolution directing President Roosevelt to abrogate the trade treaty with Czechoslovakia will be introduced in Congress by the Chairman of the House of Representatives Labour Committee who will also instruct the President to demand that Germany assume Czechoslovakia's debt to the United States which is estimated to be \$165,000,000.

AMERICA DISPLEASED

NEW YORK, Mar. 17 (Reuter)—It is learned in Washington that the United States Government will make every effort to indicate its displeasure at Hitler's latest move. It is expected that the United States Minister in Prague will remain until the Czech Minister in Washington receives written orders from Prague to turn over the Legation to the German Embassy.

MORE TROUBLE BREWING?

40,000 JAPANESE TROOPS ON SOVIET BORDER

SHANGHAI, Mar. 17 (Reuter)—A large number of Japanese troops freshly landed in Manchukuo and Korea from Japan have been methodically moved to the Soviet border regions during the past week, according to usually reliable foreign military reports received here to-day.

One report puts the number of the new troops entering Manchukuo and Korea and sent to the frontier as high as 40,000.

It is also learned that the Korean port of Rashin, near Changfeng, the scene of last year's serious Soviet-Manchukuo border incident, has been suddenly closed to all shipping, except Japanese military transports, while the service on the South Manchurian Railway, between Harbin and Manchull, the terminus of the Siberian Railway, is stated to be completely disorganised by troop movements in this area.

It is further learned that two new divisions of Japanese troops, numbering 40,000 landed at the beginning of the week on Saghalien Island, where the Japanese and Soviet have a mutual frontier—half the island belonging to Japan and half to Soviet Russia.

POTENTIAL CHAMPIONS AT KING'S PARK

Recreio Must Beat Club To Win Senior Cricket Shield

(By "TAC")

THE RE-ARRANGED CRICKET FIXTURES ANNOUNCED ON TUESDAY HAVE BEEN SO DISTRIBUTED that it is quite possible that the senior shield might be won and lost at King's Park to-day. The teams engaged there are Kowloon and Indians and Club de Recreio and Hongkong Cricket Club.

Kowloon and Recreio are, of course, favourites for the Shield, with the Club still having an outside chance. The Indians, though out of the running, will yet have a big say in things.

Actually, it is not too much to say that the destination of the Shield rests with them. I work it out thus: If Recreio win to-day and also beat the Royal Navy next week, and the Indians allow Kowloon to take full points, a play-off between Kowloon and Recreio would be necessary. With due respect to the sporting, and able Portuguese side, I rather think they will come off second best in a match of that description.

In other words, I feel that they can only get the shield by winning their two outstanding matches and having their hope that the Indians will hold Kowloon to a draw, or better still, beat them, fulfilled.

ICE - HOCKEY CHAMPIONS

BEATEN AT LAST

LONDON, Mar. 17 (Reuter).—For the first time in 51 matches, the Smoke-Eaters, who won the world's Ice Hockey Championship for Canada, were beaten last night at Wembley, the All-Stars winning by 4 goals to 1.

and will take some beating. Their unexpected victory over the Indians on March 4 has given them a look-in at the finish after all, but they must win to do themselves any good. The same remarks I made of Kowloon are therefore equally applicable to them.

Recreio will thus be well-advised to keep this in mind. By which I do not mean that they should begin (and end) the game in a dour draw-at-all-costs spirit, but that they should remember that as things are, proper tactics to adopt would be to let the Club take the initiative—or, in plain English, "let them do the dirty work".

PEREIRA'S RETURN

The timely return of A.P. ("Spotty") Pereira from a Northern sojourn is a godsend to them. With him back in the side, I definitely cannot see the Club collar the bowling like they did with the Indians.

All in all, two very keen games are promised at King's Park to-day. May the better team emerge nevertheless, strongly represented.

"HOLIDAY" AT THE KING'S

A new Hepburn, glowingly human, gloriously modern, will be seen at the King's Theatre, where "Holiday" opens to-day. With Cary Grant again cast as her co-star, Katharine Hepburn offers a sparkling performance, and one of the finest characterizations of the season.

The story of the Fifth Avenue "black sheep" who tries to conceal her affection for her sister's fiance, and of the promising young business man who wants to take a "Holiday" in order to learn the real meaning of life, but certain that it doesn't lie in money-grubbing. Is brought to glorious screen fulfillment by Columbia and Cukor. A Columbia production directed by George Cukor, the King's Theatre's newest attraction is based on the Philip Barry stage success.

At no time in her career has Hepburn appeared so brilliantly as she does in "Holiday." Equally brilliant is Cary Grant, greater in this picture than he was in "The Awful Truth," in which he was excellent. Now he reaches close to the greatest portrayal of his career.

"BOYS TOWN" SHOWN IN VATICAN CITY

"Boys Town," Metro-Goldwyn-Mayer production co-starring Spencer Tracy and Mickey Rooney, was presented at Vatican City recently in the projection room of the Oratory of St. Peter's.

Among those who attended were the most important dignitaries of the Catholic Church, including Their Eminences Cardinals Pacelli (the new Pope), Sbarretti, Fumasoni Biondi, Marmaggi and Canali; Their Excellencies the Monsignors Montini, Hayes, Moran; also numerous prelates as well as various personalities outside the Catholic Church.

Miss Haden will be seen as Miss Bennett, superintendent of nurses, in Metro-Goldwyn-Mayer's drama of the nursing profession. Others prominent in the cast are Alan Marshal, Kent Taylor, Buddy Ebsen and Jessie Ralph. S. Sylvan Simon is directing, with Nat Levine as producer.

Anna Neagle For Hollywood

Anna Neagle, the British star, has at last consented to make a film in Hollywood.

The arrangement resulted from the visit to America of Herbert Wilcox, producer and director, and the actress to witness presentations of Anna Neagle's latest picture, "Sixty Glorious Years."

"While Anna Neagle and I were in Hollywood we had four picture offers," Mr. Wilcox said. "I finally decided to take the one which meant that Anna should return there next month to make a picture under an American director."

Mr. Wilcox said that Anna Neagle was not yet a front rank star in America, and he thought this was the best way to make her one. In return for lending her to Hollywood, he had the right to bring to

England front rank stars belonging to Radio Pictures. He hoped to bring over Ginger Rogers.

Anna Neagle, who is again Queen Victoria in "Sixty Glorious Years," said that she did not want to play another historical role for a while. She wanted to be a modern woman in her next picture.

"They are talking about putting me in a 19th century American history story when I go back to California, but I would rather it was a modern story," she said. "I am going to make one film a year in California, the rest in England."

Round About

A coolie woman was shifting heavy planks at one of the entrances to a hotel.

She was attired in trousers and coat of black cotton and wore a green cord as a belt around her waist.

A hotel guest entering the door pulled at her green accessory and chided her: "celebrating St. Patrick's Day!"

The woman understood the last three words, laughing she pointed to her belt and hitting her chest pronounced the humorous statement, "Me-Missy St. Patrick!"

M. Henri Cosme, the new French Ambassador to China, was entertained by Generalissimo Chiang Kai-shek at a dinner party in Chungking. Also invited to the party were Dr. H. H. Kung, President of the Executive Yuan, Mr. Sun Fo, President of the Legislative Yuan, Dr. Wang Chung-hui, Minister of Foreign Affairs, and other Government leaders.

GAY AND COLOURFUL CELEBRATION

Irish Community Honour St. Patrick's Day

H.E. THE GOVERNOR & LADY NORTHCOTE ATTEND

Ferries were full and rickshaw coolies did a roaring trade last night for the Irish community of Hongkong were celebrating the birthday of their famed Saint in no stinted manner and the Ball held at the Peninsula Hotel went a swing as infectious as the lilt of the Irish pipes heard during the evening.

Many guests partook of an excellent dinner at the Hotel and the official party consisting of His Excellency the Governor and Lady Northcote, His Excellency Major-General, and Mrs. A. E. Grasett, His Honour Sir Atholl and Lady MacGregor, Commodore and Mrs. E. B. C. Dicken, Group Captain H. M. K. Brown, and their respective A.D.C.s, Captain S. H. Batty Smith, Mr. G. Trevorton, Mr. R. E. T. St. John, Paymaster Commander H. G. Oewin arrived about 9.30 p.m. and were met at the Main Entrance by the President, Mr. C. G. Perdue; Vice Presidents, Mr. J. C. M. Grenham and Mr. C. E. Terry and Past Presidents, Professor F. A. Redmond, Mr. B. H. C. Hallows, Mr. F. P. R. James and Mr. E. H. Williams.

The party then proceeded via the Western Lifts to the Private Sitting Room and as for the use of the Official Party. Meanwhile, the President's wife, Mrs. C. G. Perdue, with Mrs. Redmond, Mrs. Hallows, Mrs. James, Mrs. Williams, Mrs. Begdon, Mrs. Crozier, Mrs. Flanagan and Mrs. O'Donovan had gathered on the Dais with the other official guests to receive His Excellency the Governor and party who, preceded by the Honorary Piper, Mr. Kerry Begdon, processed in stately manner through the Ball Room and up to the Dais to the skirt of the Irish pipes. On arrival at the Dais Lady Northcote and the official guests were presented with sprigs of Shamrock by two dainty Colleenas, Noreen Jordan and Katherine Grant.

A COLOURFUL SCENE

The Band struck up and the watching guests were soon gliding in couples adding gaiety to the bright and colourful scene. Some, evidently desirous of achieving the magic gifts of speech donated by the Blarney Stone, were quick to seize the opportunity of mounting to the top of the mock castle so cleverly erected in the Rose Room and were seen to be leaning over the edge in precarious attitudes in order to kiss a copy of that famous stone.

The fifth dance The Rince Mor, being as all good Irish know, a Donegal Country Dance afforded to delighted ears the chance of hearing again the rousing old tunes of the "Irish Washerwoman," "Rory O'More" and "Rakes of Mallow."

After this dance, Mr. Kerry Begdon resplendent in his saffron kit, played the Official Party down to supper, the procession, each with their supper partners, following the President and Lady Northcote in this order:

His Excellency the Governor and Mrs. Perdue, Major General A. E. Grasett and Lady MacGregor, Sir Atholl MacGregor and Mrs. F. A. Redmond, Commodore Dicken and Mrs. Grasett, the Hon. Mr. N. L. Smith and Mrs. E. B. C. Dicken, the Hon. Mr. W. J. Carrie and Mrs. N. L. Smith, the Hon. Mr. S. Cairne and Mrs. F. P. R. James, the Hon. Mr. R. M. Henderson and Mrs. W. J. Carrie, the Hon. Sir Robert Kotewall and Mrs. S. Cairne, Group Captain H. M. K. Brown and Mrs. E. H. Williams, the Hon. Mr. S. H. Dodwell and Mrs. R. M. Henderson, Mr. K. S. Morrison and Mrs. S. H. Dodwell, Mr. E. W. Davies and Mrs. D. J. S. Crozier, Sir Vandeleur Grayburn and Mrs. K. Begdon, Mr. J. C. M. Grenham and Miss Grayburn, Mr. C. E. Terry and Mrs. B.

T. Flanagan, Mr. B. H. C. Hallows and Mr. J. O'Donovan, Mr. P. J. A. Hamilton and Mrs. B. H. C. Hallows.

While the Official Party partook of their supper seated at the President's table, the other guests were not slow to regale themselves from the bounteous spread available from the Buffet. The President rose twice, first to propose the toast, "The King," and secondly to propose "The Immortal Memory of St. Patrick," the toast appropriate to St. Patrick's Day. There were no speeches and it was not long before the Official Party returned upstairs to join those enthusiasts who had taken advantage of a less crowded floor and had danced the Supper Dances.

The "Shabreen" and "Kate Kearney's Cottage" were popular and well patronised and the general gaiety and celebration continued until the small hours when ferry-bound guests were grateful for cups of Hot Consomme, which were dispensed in the main hall. Later walla wallas were in great demand by those lingering revelers who had contrived to miss the last special ferry at 3.15 a.m.

Paintings of "Glendalough," "Adam's Bridge," Killarney, "The Claddagh," "Blarney Castle" and "Kate Kearney's Cottage" adorned the walls of the Rose Room.

CENOTAPH CEREMONY

A green harp, with gilt strings, was placed at the Cenotaph yesterday by the President, Mr. C. G. Perdue and the Committee of the Society.

FIRE IN SHUMCHUN REFUGEE CAMP

The refugee camp at Shumchun, which was formerly the theatre operated jointly by the Casino, was almost completely razed by a fire which broke out about 8 p.m. on Thursday.

The fire is understood to have been started by sparks from joss paper which was being burnt by a woman refugee. There were no casualties and the fire was brought under control soon after midnight.

COLONY HEALTH RETURNS

Sixteen cases of tuberculosis were notified to the Health Department on Mar. 16; in addition to fourteen cases of measles, three cases each of chicken-pox and diphtheria, two cases each of diphtheria and cerebro-spinal fever and one case each of small-pox, enteric fever and puerperal fever.

FINE ACTING BY PUPILS OF FRENCH CONVENT

Two Splendid Plays Presented.

The pupils of the French Convent gave their second performance of "Alice in Wonderland" and "The Step Sisters" yesterday afternoon.

The entertainment opened with an overture duet rendered by Paula Chan and Emma Litton. Following this a play in three short acts entitled "The Step Sisters" was acted by eight capable young players, Paula Hollands, as Miss Reid, and Margaret Large, taking the part of Mrs. Temple, were outstanding.

An interval solo, sung by Miss Elvie Yuen, was followed by the main feature "Alice in Wonderland." Between the eight scenes of this delightful story, various duets, solos and recitations were given, Miss Paula Chan and Miss Pauline Beck's rendition of "Masquerade" being warmly applauded.

DAWN DIGBY

Each character in the fairy story deserves credit for their portrayal. Their lines and timing were excellent particularly "Alice," played by Dawn Digby, the "White Rabbit" by Therese Noronha, the "Duchess" by Dorothy Salmon and the "March Hare" and "Mad Hatter" by Irene Castilho and Pauline Abbott.

The ten Soldiers, ten Courtiers and ten Royal Children formed a well costumed background for the play which was produced in a capable, professional manner.

The last performance of this entertainment will be given on Monday at 5.30 p.m. The entire proceeds are in aid of the Catholic Truth Society of Hongkong.

CHINESE Y.M.C.A. FINANCIAL CAMPAIGN

LOSS OF TRADE WITH SOUTH CHINA

Official Statistics For February

Official trade statistics for the Colony for the month of February disclose that exports to South China dropped to about ten per cent. of the figures for the corresponding period of last year.

The Colony exported to South China goods to the value of \$7,857,939 during February, 1938. Last month the total was only \$738,862. From January 1 to February 28 the total exports were only \$3,007,693, which compares with \$18,366,904 for the corresponding period in 1938.

Imports from China have also shown a serious decline. The total in Feb. was \$4,841,778, which is \$2,801,895 less than the corresponding month last year. In the first two months of the year exports have declined from \$20,405,245 in 1938 to \$9,795,198 this year.

LOSS OF \$25,908,358

The total loss of trade with South China (imports and exports) in the first two months of this year alone is \$25,908,358.

Imports from all countries during February totalled \$36,824,830, which is only \$4,574,057 below the imports during the corresponding month last year. This is roughly the amount lost through the South China blockade.

Exports, at \$3,502,007, are only \$1,949,617 below the corresponding period last year.

January and February, 1938, imports and exports to all countries totalled \$180,914,125. In the corresponding period this year the total is only \$154,171,949, representing a decline of \$36,742,176.

CLAIM FOR GOODS DELIVERED

Alleging that poplin, a table and sewing work, had been supplied and executed to her order at a cost of \$106.73 on which they had received no payment, Messrs. Jones Wong and Co., of Nathan Road, Kowloon, claimed the sum from Mrs. Paul Braga, of Kadoorie Avenue, in the Summary Court yesterday before Mr. Justice R. E. Lindsell.

Defendant stated that she had returned all the goods to plaintiffs with the exception of seven yards of poplin net for which she had offered payment. Plaintiffs guaranteed that the colour of the goods was fast, whereas it was not, and she had returned the goods.

Without instructions, plaintiffs made up loose covers from the returned material and delivered them to her.

The table, stated Mrs. Braga, was returned to plaintiff as it was not made according to her instructions.

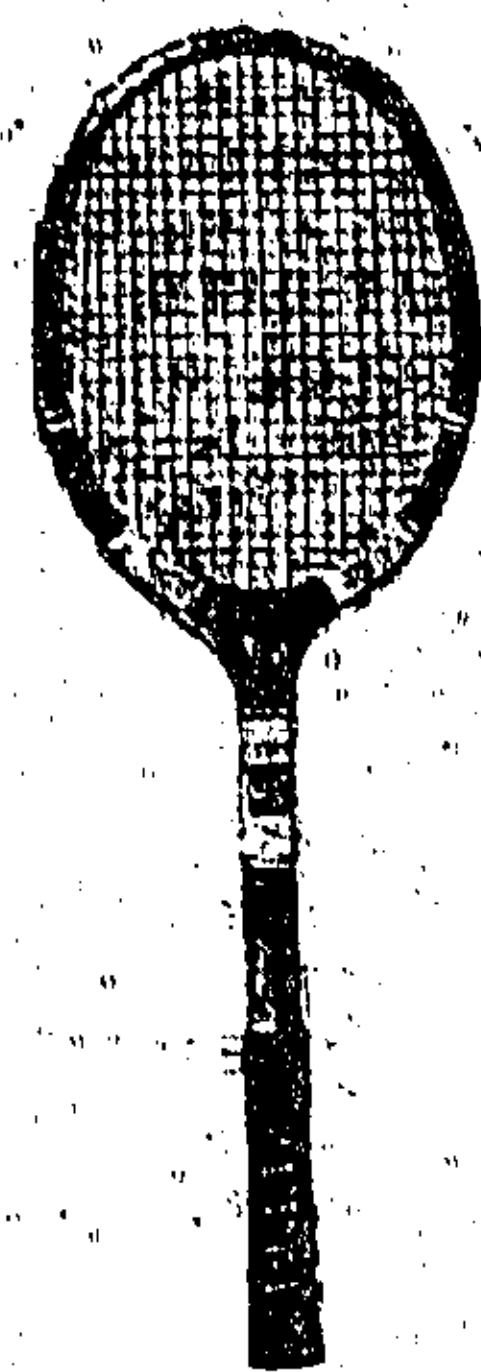

The hearing was adjourned to March 22.

At the annual meeting of the Canton University Economics Society, held at No. 145 Yuen Chow Street, Shumshulpo, last night, the following were elected to the Committee for the ensuing year:—Har Chi-wan, Tai Po-sun, Chan Wing-fai, Leung Chik-tsol, Chan Kwong-chun, and Chan Sheung-man.

NAVAL MIGHT
OF BRITAIN

FIGURES relating to the
strengthening of Great
Britain's naval power by Mr.
Geoffrey Shakespeare, Parlia-
mentary and Financial Secre-
tary to the Admiralty, in
introducing the naval esti-
mates in Commons, should
cause those who are inclined
to under-estimate our naval
strength to pause and ponder.
There has been a tendency
on the part of many to believe
that, simply because Britain
has declined to become em-
broidered in international dis-
putes, the lion's tail could be
twisted with impunity. The
Hon. is now showing her teeth
and woe betide any nation
which is so foolish as to think
she will continue to maintain
an attitude of passivity and
unpreparedness.

MR. SHAKESPEARE'S state-
ment is a forceful one and no
attempt is made to conceal
details. Frank admissions
are made of weaknesses in
the past, and of the steps
which have been taken to
remedy them, with the result
that, to-day, "we believe the
British Fleet is so strong that
we can confidently accept
direct challenges by any
probable combination of
forces." And the House was
given an assurance that there
was an organized supply
sufficient for the first year of
any war which might break
out.

ANY FUTURE submarine
menace will not be as effec-
tive as in the last war, the
speaker said in illustrating
the success of the convoy
system. As a result of close
co-operation between the Ad-
miralty and the shipping in-
dustry, Britain will be ready
to institute a convoy organi-
zation soon after the out-
break of hostilities on any
necessary routes. There were,
he said, sufficient anti-sub-
marine guns on hand to meet
all expected requirements.
Mr. Shakespeare expressed
also the belief that our
methods of detecting, hunt-
ing and killing submarines
were the best in the world
and he recalled that, in Janu-
ary this year, in order to end
piracy in the Mediterranean,
Britain announced that she
would sink any submarine
found submerged in certain
areas. "Thereafter no case
of piracy occurred," he
added.

IN ONLY ONE BRANCH of
the Navy was there a definite
shortage, namely, in skilled
craftsmen. This, however, is
being met and it is assuring
to note that steps are being
taken to ensure the supply of
an adequate number of
executive officers to command
the expanding fleet. So, far

ATTRACTIVE
CREATIONS
AT THE BALL

BY "ROZANNE"

Many attractive dresses were
seen at the St. Patrick's Ball last
night at the Peninsula Hotel and
the official table was also graced
by fashionable creations.

Lady Northcote looked very
smart in black satin with one
shoulder strap larger than the
other and a big bunch of roses in
red velvet.

Lady MacGregor wore a model
frook of white brocade satin.

Mrs. Dicken was in a period
frook of cyclamen taffeta with
modified crinoline effect.

Mrs. Williams wore green water-
silk taffeta, with tight bodice and
large flared skirt.

Mrs. N. L. Smith wore blue
brocade with well-defined figure
line.

Mrs. Grasett was in silver white
satin with orange sash with float-
ing ends behind.

Mrs. Crozier wore leaf green
satin with a metallic surface and
had red flowers on her corsage.

Mrs. S. H. Dowdell wore silver
white lace on taffeta.

Mrs. Flanagan was in flowered
crepe satin with crossing shoulder
straps behind.

GREEN FLOWER

Mrs. Carrie wore beige lace with
green flower on the shoulder.

Mrs. O'Donovan was in white
lace with pink flowers in her hair,
at the waist and on her shoulders.

Mrs. James wore clinging black
satin with silver braid shoulder
straps.

Mrs. Perdue wore a dress of
pleated chiffon velvet with an
unusual claret shade.

Mrs. Hamilton wore yellow
brocade with an intriguing pattern
in gold.

Mrs. Begdon was attired in
check taffeta in blue, gold and
orange.

Mrs. E. Grayburn wore green
taffeta with an all-over pattern
in white, the material being of an
oleichol medium.

French creation of Navy blue
flowered mignon with a little coatee
to match.

PETITION FOR
PROBATE OF
WILL

The late Mrs. Cecilia Palmira
Branca Concelao Marques Couper,
who died at No. 530, Nathan Road
on Jan. 31 this year, left local
estate sworn under \$19,000. A
petition by Mr. Harold John Arm-
strong, solicitor, for grant of pro-
bate of the will of the deceased
has been approved.

Estate sworn under \$42,700 was
left by the late Mr. Wong Ka Mui,
alias Wong Car-moy, retired mer-
chant, who died at Sar Ha Village,
Ku Cheng, San Wui District,
Kwangtung. A petition for grant
of letters of administration to the
estate for the use and benefit of
the widow, and Wong Chin Choy
Yu, concubine, Wong Kwok-yam,
son, and Wong Ngan-sin, daughter,
made by Wong Ka-ye, lawful at-
torney, has been approved.

as naval reserves were con-
cerned, Mr. Shakespeare said,
there were at least 70,000,
apart from 60,000 to 70,000
who had served in the Navy
and who were within the 55
years' age limit.

IN CONNECTION with the
debate, it is most gratifying
to note that the criticisms
levelled against Rear-Admiral
R. V. Holt, Senior Naval
Officer of the Yangtze, were
declared to be unjustified.
The British naval strength on
the Yangtze was quite
normal. Though it was ad-
mitted that the officers and
men on these ships were
having a most difficult time,
they were carrying out their
tasks as one would expect
officers and men of the Royal
Navy. They had done good
work and deserved all praise.

With the acceleration of
the building programme, the
British Fleet will shortly be
in a position to cope with any
emergency that may arise
and Britain will show the
world that she does not in-
tend to be caught unprepared
as she was some months ago.

FIRE ASSESSOR
TESTIFIESClaim Against
Underwriters

Mr. Robin Edward Beards-
worth, fire assessor of Messrs.
Nielsen and Malcolm, Canton,
gave evidence when the hear-
ing was continued at the
Supreme Court yesterday before
the Chief Justice, Sir Althell
MacGregor, of the \$39,986.23
claim brought by the Cheong
Shing Hong against the China
Underwriters, Ltd.

Plaintiffs are represented by Mr.
Edon Potter, K. C., and Mr. H. C.
Macnamara, instructed by Mr. E.
Davidson, of Messrs. Hastings and
Co., while the Hon. Mr. Leo
D'Almada e Castro, Jnr., and Mr.
D. J. N. Anderson, instructed by
Mr. O. E. C. Marton, of Messrs.
Deacons, are appearing for defen-
dants.

The claim is in the nature of
a test case, and arose out of a
fire in plaintiffs' godown in Con-
naught Road West in January last
year. The sum claimed represents,
according to plaintiffs, the rate-
able proportion of the loss suffer-
ed.

Defendants allege that certain
of the claims are fraudulent, and
that the books had been altered
to enable higher prices to be
claimed on goods. Defendants
also allege that certain goods were
not in the godown at the time of
the fire.

SURVEYED DAMAGE

Answering questions put to him
by Mr. Anderson, Mr. Beardsworth
said that he came to Hongkong
from Canton on January 7 last
in response to instructions from
defendants and surveyed the fire
damage at the godown together
with his two clerks named Ho
and Chan.

He asked Mr. Wong Yun-tong,
managing partner of the Cheong
Shing Hong, for his account books
and was handed two books on
that day. On the next day, he
was handed four books two godown
books and two hong books.

In the ground floor of the
godown, witness said, he found
sharks' fins mostly damaged by
water, whilst he also found fins
damaged by fire.

He asked Mr. Wong to prepare
a list of claims, continued wit-
ness, and then he checked the
goods and found that they were
mostly correct.

Later, he was informed by his
clerk, Mr. Ho, that there were
alterations in the books relating
to some of the claims, and also
that some goods claimed on had
already been delivered.

Cross-examined by Mr. Potter,
witness said he did not know the
nature of the corrections, as his
information had been supplied by
Mr. Ho.

Hearing was adjourned to
Wednesday, March 29.

A coolie who was charged with
disorderly conduct in that he had
snatched hand baggage from
passengers alighting from a taxi
cab outside the Star Ferry ap-
proach in Salisbury Road, Kowloon,
yesterday, was fined \$10 in default
of a month's imprisonment, by Mr. E.
Himsworth at the Kowloon Court.

DISPUTE OVER
QUILTSStory Of Alleged
Robbery

On charges of armed highway
robbery, two men from Shun Tak
district, Wong Cheuk, 20, unem-
ployed, and Chan Hing, 24, unem-
ployed, were committed by Mr. E.
Himsworth at the Kowloon Court
yesterday to stand their trial at
the Criminal Sessions.

The complainant was Wong
Tak, owner of the Wong Tak Kee
Quilt Shop, in Sai Kung Road,
was stated in evidence that first
defendant came to his shop on
March 6, when he purchased two
quilts valued at \$14.40.

First defendant stated he was
unable to pay the money, as he
forgot to bring it with him, and
suggested that complainant follow
him to his home, where he would
be paid.

Complainant followed the man
and as they were passing along
the hillside above Gramplan Road,
first defendant and two other men
attacked him, a knife was pro-
duced, and he was robbed of \$2.64
in money, a gold wrist watch, a
plain gold finger ring, a finger
nail clip, one brass key, and the
two quilts.

Y.W.C.A. FINANCE
CAMPAIGNReport Of First
Week's Work

The first report meeting of the
Y.W.C.A. was held yesterday after-
noon: the amount collected by the
twelve teams after one week's
work was \$7,015.91.

The teams have been competing
with one another for the last
week and the results were shown
on a large chart. After each team
had recorded their amount, it was
found that the winning team c
the week was captained by Mrs.
Chiao Fu-shan and Mrs. Ling
Hin-yang.

The finance workers assemble:
at this meeting registered a vote
of thanks to Lady Northcote for
her broadcast from Government
House on Thursday night when
she appealed to the public to aid
in the campaign. Another vote
of thanks was given to Sir Robert
Kretwell who broadcast from
Z.E.K. an endorsement and strong
appeal for support from both the
Christian and non-Christian
groups because of the community-
wide programme of social service
and war relief of the Y.W.C.A.

CHINESE PLANES
RAID CANTON

Two raids within the space of
24 hours were carried out by
Chinese planes on the Japanese-
occupied aerodrome near the
White Cloud Mountain in Canton
on Wednesday and Thursday, ac-
cording to passengers who arrived
in the Colony from Canton on
Thursday by the ss. Kinshan.

More than 20 planes participated
in the raids, it was stated, and
sound of bombing was distinctly
heard from the boat.

Hello & Goodbye

By A. W. HYER

Residents, storekeepers, down to rickshaw coolies are getting
set for another avalanche of tourists in the Colony.

Second round-the-world cruise liner R. M. S. Franconia, under
the command of Captain E. Edlin, ties up at Pier 1, Kowloon
in the early hours of March 30. Two days and one night of
sight-seeing in Hongkong the 250 guests will enjoy, then sail south
to Manila, Dutch East Indies, Australia, Fiji Islands, Honolulu,
San Francisco, through the Canal to New York arriving in this
home port May 31.

The Staff Captain is F. C. Hart-
ley and a Cruise Director, Mr. Ross
H. Skinner, is assisted by Mr. Syd-
ney Jones.

Any further information desired
by local residents can be obtained

traffic details and accepting reser-
vations.

Imperial Airways

YESTERDAY MORNING the
Dorado, under Captain L. J. M.
White's supervision, went flying
down to Bangkok, and making their
first regular passenger, and mail
stop at Hanol.

Mr. J. Hogan was en route to the
Siam capital. And Mr. R. G.
Whitehead had the distinction of
being the first passenger travelling
via Imperial Airways to disembark
at Hanol.

Mail, freight and passengers to
and from Indo-China via Hanol
will now be carried on the regular
service of this air line.

Due to poor weather conditions
along the route through Greece
your air mail due to-day has been
delayed and will not arrive in
Hongkong until Monday.

Air France

WITH ROARING motors and dips
over the Kai Tak hangar, the
Ville de Damas announced her
arrival from Hanol, Thursday at
1.15 p.m.

This plane from Indo-China
proved to be another of the "Busi-
ness Men's Specials." Mr. P. Dietz,
Mrs. G. S. Archibutt looking for-
ward to a delightful trip across the
Pacific and nine months vacation-
ing in England. Little Miss M.
Archibutt accompanying her
parents was in a complete dither,
the going away hour was almost
too much.

Gay and almost delicious with
anticipation of the coming journey
were the youngsters of Mr. and
Mrs. J. McKelvie sailing home to
Scotland in the Empress of Japan.
This will be quite a trip for the
Hongkong and Whampoa Dock Co.
executive; no doubt it will be "good
telling."

Mr. J. P. Sherry, manager of the
Hongkong Telephone Co., was be-
seized by friends. They certainly
toasted him to a pleasant journey
and vacation in England.

Pan American Airways

CAPTAIN R. J. NIXON parked the
Philippine Clipper on the bay
waters out at Kai Tak on Friday
at 12.20 p.m. The trip from San
Francisco was very pleasant all
passengers agree.

Colonel Nelson Spencer was de-
lighted with the scenery and es-
pecially the Midway Island's goony
birds. The airship was extremely
comfortable, "no bumps," said he
and the people in every port have
been more than hospitable. This
is the first trip to the Far East for
the Number One of Spencer Ltd.,
Vancouver, importers and export-
ers.

The Colonel is out here to say
a personal "hello" to his many
clients and have a good look-see.
Travelling North via steamer, he
will stop off in Shanghai and
Japan, then homeward via Cana-
dian Pacific S. S. Co. He antici-
pates his journey will cover six to
ten weeks.

Another first visitor to this part
of the world was Mr. Irving St.
John. A member of the
Fourth Estate from Charlotte,
Virginia. This press-bound is
gathering news for American
papers, after a short stop in Hong-
kong he travels down to Rangoon
via steamer. And this gentleman
took the airplane ride from San
Francisco in his stride.

Dr. Eric Linjancz, an Assistant
Professor of Medicine at Stanford
University, came flying from San
Francisco to Hongkong. And above
all things, he travels right back
to the American port this morning
via the Philippine Clipper. The
doctor is doing a bit of research
work to Pan American Airways
regarding comfort, strain, tiring
difficulties etc. of air travel. On
reaching home he will tell this
company's officials why and why
not passengers enjoy flying across
the Pacific Ocean.

Actually the city of Nottingham
has already adopted a similar
scheme. The scheme has the great
advantage that the units of the
Brigade remain intact instead of
the members enrolling as individ-
uals for "A.R.P." duties, as they
have to do according to the pre-
sent Home Office scheme.

A.R.P. & ST. JOHN
AMBULANCE

On Jan. 12, 1939, Sir John
Anderson, Lord Privy Seal, made a
statement regarding the A.R.P.
Scheme in London. In dealing with
the casualty service he remarked as
follows:

"As regards the first-aid parties,
it was of obvious importance that
their organisation should be closely
related to the rest of the casualty
services, and the arrangements
which had been made between his
Department and the Ministry of
Health were based on a common
policy. The Medical Officers of
Health, however, would have a
heavy task in front of them in the
organisation of the first-aid posts
services, and with a view to the
distribution of the burden, he had
invited the St. John Ambulance
Brigade to undertake the general
organisation of the first-aid parties,
in association with the Borough
Councils and with the Medical Of-
ficers of Health."

Actually the city of Nottingham
has already adopted a similar
scheme. The scheme has the great
advantage that the units of the
Brigade remain intact instead of
the members enrolling as individ-
uals for "A.R.P." duties, as they
have to do according to the pre-
sent Home Office scheme.

DISCRIMINATION AGAINST THE BRITISH INTERESTS

North China Currency Regulations

Chamber Of Commerce's Emphatic Protest

LONDON, MAR. 17 (REUTER)—AN "EMPHATIC PROTEST" BY THE BRITISH CHAMBER OF COMMERCE AGAINST THE INTRODUCTION OF THE NEW CURRENCY REGULATIONS IN NORTH CHINA UNDER THE AUSPICES OF THE JAPANESE WAS MADE HERE TO-DAY, in the form of a special statement issued exclusively to Reuters, by Sir Robert Calder Marshall, Chairman of the Chamber.

The statement, which Sir Robert declares, "expresses the views of the British Chamber of Commerce," describes the new measures as "definitely discriminatory against British interests" and "a most flagrant attack on the doctrine of the open door."

The statement goes on to add that should the new regulations succeed, they would have "a disastrous effect" on British and all foreign trade and urges that every effort should be made to render them nugatory.

The statement continues: "On Mar. 11 the regulations issued by the Provisional Government of North China for the control of currency became operative in all the important cities and ports under Japanese control in North China, including Peking, Tientsin, Tsingtao, Chefoo and Weihaiwei."

INADEQUATELY BACKED
"The regulations are intended to enforce the use of Federated Reserve notes, which are linked to the yen and which, being inadequately backed, have little or no value in foreign exchange, and to oust Chinese National currency which is backed by reserves and which has a definite foreign exchange value."

"In order to establish the circulation of the Federated Reserve Bank currency, the Customs were forbidden to permit the export of certain goods constituting the main articles of export from North China unless foreign exchange for such shipments were negotiated through the Yokohama Specie Bank and converted into Federated Reserve Bank currency at the rate of fourteen pence."

"This rule automatically establishes a financial monopoly in favour of Japanese banks and would, if business on such a basis could continue, provide the foreign exchange backing for the inadequately secured Federated Reserve Bank currency."

A GENERAL STOPPAGE
"This attempt at the stabilization of the Federal Reserve Bank currency can only result in a general stoppage of trade and the probable closure of many foreign concerns, as they would be unable to trade in a currency which is not freely convertible into foreign exchange. For the Japanese position is somewhat different, as in trading in Federated Reserve Bank notes they are accepting a currency which can be made available for the purchases of supplies in Japan."

ITALY WAITING FOR HER HOUR

ROME, Mar. 17 (Reuter)—The Italian Foreign Minister, Count Ciano's paper, "Telegrapho," denies that the German occupation of Czechoslovakia weakens the Rome-Berlin axis. It says it is based on "higher concepts than the grabbing of territory by partners."

It is comparatively easy for Germany to get demands fulfilled but Italy has two worlds to contend with in the Mediterranean.

However, there is no danger of Italy being left in the lurch by Germany. Italy is a past master at waiting for her hour.

POSITION STILL OBSCURE

BRITISH VIEW ON CRISIS

LONDON, Mar. 17 (Reuter)—It is impossible to state anything definitely at present concerning the British attitude towards the recognition of Germany's annexations, writes the diplomatic correspondent of the "Observer."

The precise status of the new Czechoslovak provinces is still obscure and it must be emphasised that there is no analogy between union with Austria and the seizure of Czechoslovak territories.

Moreover, Mr. Chamberlain has already emphasised that Britain regards this annexation as a breach of the Munich Covenants.

Britain's attitude has also an important bearing on the gold and foreign currencies belonging to the former Czechoslovak State and now in the Bank of England. They are at present being retained in the bank by orders of the British Government.

DIVISION OF CZECHOSLOVAKIA

NAVY ESTIMATES: MAGNITUDE & BALANCE OF 1939 PROGRAMME

Measures To Meet Aerial And Submarine Threats

LONDON, Mar. 17 (BWS and Reuter)—Introducing the Navy Estimates for £149,000,000, an increase of £23,000,000 on last year's, which were themselves a record in peace time estimates, the Parliamentary Secretary, to the Admiralty, Mr. Geoffrey Shakespeare, said that members would be gratified that no less than £51,000,000 of that great total were in respect of shipbuilding and engineering work on vessels of the new Construction Programmes of 1939 and previous years and repair of the existing fleet.

During the financial year now ending, 43 warships had been added to the Navy and, in the course of 1939, another 60 would have joined the fleet.

The fact that dockyards and shipbuilding yards would, in the course of the year, be engaged in building some 200 war vessels of a total of 870,000 tons, was a measure of national productive effort for naval defence which had never before approached in peacetime.

SUBMARINE ATTACKS
Passages of Mr. Shakespeare's speech, which were followed with close attention, dealt with measures for meeting special threats of submarine and aerial attack.

As a result of two years' close co-operation between the Admiralty and the leaders of the shipping industry, he could state they would be in a position to institute a convoy organization soon after the outbreak of war on any route where it was considered necessary. Mr. Shakespeare then turned to the immense progress since the last war in scientific aids to anti-submarine warfare.

He said: "I cannot, of course, reveal the nature and extent of our progress in this respect, but I believe our methods of detecting, hunting and killing submarines are more advanced than any others in the world."

AERIAL ATTACK
Regarding attack from the air, the policy of the Admiralty had been to concentrate in warships the most modern anti-aircraft guns possible; there had been increase in number of such guns of 75 per cent—and an attack on a ship bristling with anti-aircraft guns would be a very different matter from attacks

RIVER BOAT IN MINOR COLLISION

The s.s. Ho Kong, belonging to the Tai Sang Steamship Co., is now in the Kowloon Docks undergoing repairs and overhaul as the result of a minor collision near Cheung Chai on Sunday while the vessel was on her way from Hongkong to Macao.

It is learned that visibility was at the time very bad due to heavy fog. The damage sustained, however, was not extensive, and the ship is expected to resume her usual run early next week.

TRADE ALONG NEW HIGHWAY

KUNMING, Mar. 17 (Central)—There is great potentiality of trade development along the Yunnan-Burma highway, according to Mr. Fu Ping-chieh, of the Szechwan Provincial Bank, who has just returned here after an extensive inspection tour of the road.

Mr. Fu said that many British, Indian and Burmese business men are beginning commercial enterprises along the road and expressed the hope that Chinese business men will not lag behind. He asserted that traffic on the highway is not so difficult as many people think.

DISSOLUTION OF PARTNERSHIP

In the Supreme Court, yesterday the Chief Justice, Sir Atholl MacGregor, gave judgment for Alfonso George Piovanello, of Buenos Aires, Florida, who claimed dissolution of partnership entered into on May 31, 1937, with Alberto Pasquale, restaurant manager, of Dina House, Hongkong.

The partnership concerned the business of the Frascati Restaurant, and plaintiff claimed payment of any accounts found due to him and such further relief as the Court deemed just, and costs of the action.

Mr. G. K. Hall Brutton appeared for plaintiff, and Mr. H. G. Sheldon, K. C., instructed by Mr. D. L. Strellett and Mr. F. X. D'Almada, for defendant.

Len Harvey Regains Title DISAPPOINTING FIGHT

CANADIAN NEGRO BADLY BATTERED

LONDON, Mar. 18 (Reuter)—At the Harringay Arena to-night in a disappointing fight which was interspersed with impatient hand-clapping and whistling, a crowd of 8,000 saw Len Harvey winning nearly every round of his fight with Larry Gains, thus regaining the British Empire heavyweight championship which he lost to Jack Petersen in 1934.

CHINESE DOCTOR CAUTIONED

Appearing on remand before Mr. R. Edwards at the Central Court yesterday on charges of possession of dangerous drugs and poisons at No. 230, Queen's Road Central, while not holding a licence under the Pharmacy and Poisons Ordinance, Cheung Tak-sum, a doctor holding a Chinese certificate, was convicted and cautioned.

Wai Cheung-shuk, who was jointly charged was given the benefit of the doubt and was discharged.

Mr. J. B. Prestis Assistant Crown Solicitor, appeared for the prosecution. Wai was defended by Mr. Alfred Y. Hon, while Mr. J. T. Prior appeared on behalf of Cheung Tak-sum.

In evidence, Wai told the Court that the bags containing the drugs and poisons were placed in his house when Cheung first arrived. He did not know the contents.

Cheung Tak-sum, in the witness box, said that he obtained his medical degree from the Chung Shan Medical College in 1920 and had been practising as a doctor in the Chinese army and once on a gunboat.

The drugs and poisons were confiscated.

NO EVIDENCE TO SUPPORT CHARGE

Mr. W. W. Greenberg, residing at the Y. M. C. A. was summoned before Mr. T. J. Houston at the Central Court, yesterday for driving a car without due care and caution on Feb. 26. The summons was taken out against the defendant as the result of the report which he made to the police regarding an accident when his car collided with a beacon light at the "Ram Island."

The defendant stated that the accident was caused through the

The 37-year-old Canadian negro, who was badly battered, retired at the end of the 13th round with two badly-cut eyes. Only the referee's untiring effort made the men break and prevented a fiasco.

MUCH CLINCHING

There was too much clinching, and wrestling. Always, however, the fight appeared to be a battle of wits between two veteran masters of ringcraft. This was undoubtedly responsible for the slow tempo; only occasionally flashes of action were seen.

Harvey, boxing confidently, landed almost as he pleased with stinging right swings and repeatedly jabbed his left in Gains' face.

Gains was cumbersome and slow and was unable to counter Harvey's attack, but must be credited with the success of slowing down the fight, frustrating Harvey's efforts to tire him out.

The Cornishman was generally the aggressor and scored with vicious right hooks. He opened a cut under Gains' eye in the eighth round, and further damaged the eye with a vicious right swing in the 11th.

WISE RETIREMENT

Gains' right eye was injured in the 12th and 13th. Harvey with relentless punching, drew blood from Gains' eye and nose, and the negro wisely retired at the end of the 13th round.

Harvey turned the scales at 13 st. 2 lbs. at the weighing-in this afternoon. This was his heaviest fighting weight in his whole career. Gains weighed 14 st. 5 lbs.

Both men looked extremely fit, but there was a sharp contrast in their demeanour. Harvey was smiling and confident, while Gains was deadly serious.

Harvey was a 3/1 on favourite.

head lights of an on-coming car dazzling him momentarily.

The Magistrate discharged defendant, remarking that there was no evidence to support the case for the prosecution.

LESSON SERMON

FIRST CHURCH OF CHRIST, SCIENTIST, HONG KONG.
SUBJECT—MATTER

The subject of the Lesson Sermon in all Christian Science Churches, to-morrow March 19, will be "MATTER."

The Golden Text will be:—"Thou shalt not take the name of the Lord thy God in vain; for the Lord thy God is one God." (Exodus 20:7)

Among others the following citations will be read from the Bible:—"And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring; Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken. And then shall they see the Son of man coming in a cloud with power, and great glory. And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh." (Luke 21:25-28)

The following citations will also be read from the Christian Science Textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy:—"Love will finally mark the hour of harmony, and spiritualization will follow, for Love is Spirit. Before error is wholly destroyed, there will be interruptions of the general material routine. This material world is even now becoming the arena for conflicting forces. On one side there will be discord and dismay; on the other side there will be Science and peace. The breaking up of material beliefs may seem to be famine and pestilence, want and woe, sin, sickness, and death, which assume new phases until their nothingness appears. These disturbances will continue until the end of error, when all discord will be swallowed up in spiritual Truth." (Page 56)

CHINESE-RECREIO CLASH FOR CHAMPIONSHIP

Interesting Softball Games Listed For To-morrow

(By R.O.Y.)

Softball fans are assured of excellent entertainment to-morrow, when the Chinese Baseballers meet Recreio in the deciding match for the championship of the Men's League; this match is expected to prove even more interesting than the two opening games of the International, the two ladies' and the three Hong matches which complete the card.

The ladies, as usual, commence proceedings, at 10 a.m. on the Filipino Club ground, when the home team clashes with the Canadian Chinese girls who have played consistently well, to hold or to third place in the league standings. The Filipino ladies are quite a useful side, but, although expected to give the Maple Leafs plenty of opposition, are hardly strong enough to be favoured for this match.

In the nightcap, the Wildcats should climb back into the joint leadership of the ladies' section, without being unduly troubled by the Baby Panthers whose best performance, to date, was the great battle they put up against the powerful Recreio squad.

CHINESE V. PORTUGUESE

The Recreio ground will be the venue of the Chinese Baseballers-Recreio clash which commences at 2.30 p.m. The former are expected to make a number of positional changes, in an effort to strengthen their lineup, and it is rumoured that Earl Wong will take the mound instead of Tommy Chan.

The Portuguese boys will field the same team that accounted for the Midgets last week, and if they can reproduce the same form, the Kwok Ying Shield will be on display at Recreio, for the next twelve months.

BRITAIN V. PHILIPPINES

The International Series opens at 12.30 p.m., with Britain meeting the Philippine Islands, on the C. B. A. ground. The former are

expected to include the Leonard brothers and a few of the Royal Air Force players; this makes Britain out to be a very strong side and they should just about account for the Islanders who will be represented by the regular Filipino Club squad.

PORTUGAL V. INDIA
Portugal "B", represented by the Trojan squad, meets India in the other first round match. The latter have, in Kitchell and Nazarin, outstanding league players, the other members of the side are unknown quantities, but if their baseballers should turn out, India should have little difficulty in passing through to the next round.

HONG GAMES
In the Hong section, the powerful Socony squad should have an easy time against the National City Bankers who have yet to register their first points.

The closest match should be the Texaco-Royal Air Force fracas. The Texas boys have let their supporters down at every start this season, but should make amends by accounting for the Flyers who are still too inexperienced to make full use of their scoring opportunities.

The last game, will see the Dutch Bank in action against the American Express. The Hollanders are the strongest aggregation in the "A" section of the Hong league, while the American Express boys are the weakest; the latter promise to break all records for the number of runs scored against them and the final result of this match should go a long way towards helping them attain new figures, in this respect.

TO-MORROW'S PROGRAMME

The full programme is as follows:
RECREIO GROUND: Chinese Baseballers v. Recreio, 2.30 p.m.
C.B.A. GROUND: Philippine Islands v. Britain, 12.30 p.m.; Portugal B v. India, 1.45 p.m.
FILIPINO GROUND: Canadian Chinese v. Filipino Girls, 10 a.m.; Baby Panthers v. Wildcats, 11.15 a.m.; American Express v. N.I. Bank, 2.15 p.m.

LA SALLE GROUND: National City Bank v. Socony, 11 a.m.
R.A.F. GROUND: Royal Air Force v. Texaco, 11 a.m.

A general meeting of the Hong-kong Baseball League has been called for 5.30 p.m. on Tuesday, March 21, at the Brook Club, Middle Road, Kowloon, when the election of officers will be held. All interested are invited to attend.

ANNUAL MEETING OF LAWN BOWLS ASSOCIATION

Warm Tribute Paid To Mr. C. B. Hosking

SUCCESSFUL YEAR

A successful year was reported at the annual meeting of the Hongkong Lawn Bowls Association held yesterday evening. Mr. A. Hyde-Lay presided.

Following the confirmation of the minutes of the last meeting and the adoption of accounts, mention was made of a presentation to Mr. C. B. Hosking, Hon. Secretary of the Association, who is leaving for Home on transfer shortly. The meeting decided that a set of woods be presented to him. The chairman, on behalf of the Association, thanked Mr. Hosking for the smooth running of the Association's affairs during his four years of office.

Mr. Hosking, in thanking the Association, remarked that he could safely say that he learned how to play bowls in Hongkong.

MEMORIAL CUP

A Phil Knight Memorial Cup was offered to the Association for competition in the Open Singles Championship.

The usual sum of \$50 donated to the Children's Playground Association funds was voted.

During the course of discussion, mention was made that players who participate in the League or other official games must be attired in white clothes and brown shoes.

A proposal made that the suggestion be made as a bye-law of the association was amended that players were to wear brown shoes and the question of uniform clothing was left to be not compulsory but recommended.

Officers elected for the ensuing season were:—President—Dr. J. T. Smalley; Vice President—Mr. G. S. Archbutt; Hon. Secretary—Mr. R. P. Phillips; Hon. Treasurer—Mr. L. A. Gutierrez.

The closing date for entries of teams for the League was fixed for April 1.
